

# P + P Custom Medical Supplies

## PICC Line Protector, Cast Cover and Shower Soc Products

### How we will help you

P+P aids in comfort, safety, and independence of its customers while also staying affordable for any budget. P+P helps people in need become more comfortable and safer while dealing with unfortunate circumstances caused by illness, accident or surgery.

Lightweight plastic cover with two elastic ends that seal tight and prevent water from entering the sleeve.

### Shower SOC

Elbow/Knee

Ideal for covering PICC lines and surgically repaired knees.

Arm/Hand

Ideal for covering arm or hand casts.

Leg/Foot

Ideal for covering surgically repaired knee, ankle and leg casts.

Lightweight tubular elastic cotton light compression cover which holds PICC Line in place.

### PICC Cover

Elbow/Knee

Ideal for covering and holding PICC lines and to protect surgically repaired knees.
